

SGA

Student Government Association

Mission

The Student Government Association (SGA) represents the interests of Lee College students and acts as the students' voice by serving as a liaison between the college's administration and the campus community. Our mission is to passionately advocate for the needs and interests of students enrolled at Lee College, fostering a dynamic environment of inclusivity, collaboration, and belonging. Together we are committed to amplifying our students' voices and providing support in a lively and engaging manner.
