

Social Media at Lee College

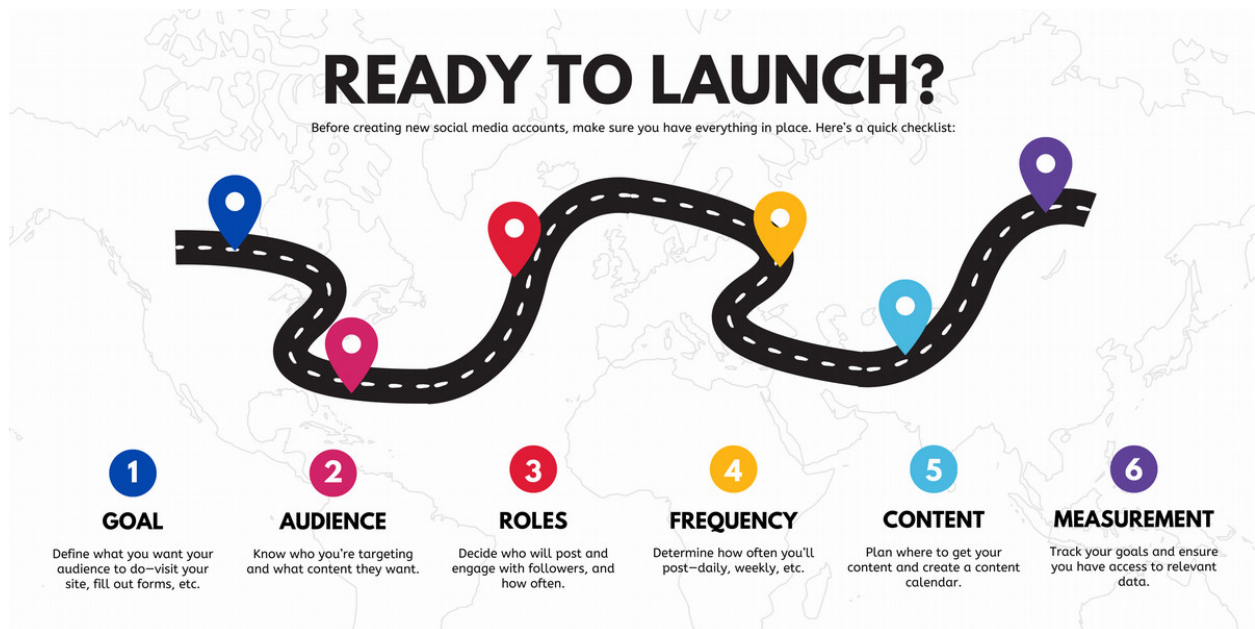

[Download Social Media Guide \(PDF\)](#)

At Lee College, all social media accounts must follow our brand guidelines. While these guidelines provide a foundation, social media also has its own unique style.

Getting Started

Not sure where to begin? Setting up a social media account is easy, but building a strong presence requires planning. This Social Media Style Guide can help!

If you're interested in becoming an administrator of an officially recognized social media account and would like to be added to the Lee College directory, please [fill out our contact form](#).
